

IN THE SPECIFICATION

On page 15, please insert the following new paragraphs at line 18, immediately after the paragraph that begins "Figure 4...":

Figure 5 is a diagram of an operational environment in which the resource management process operates.

Figure 6 is a flow chart of processing steps performed by a resource manager to allow a user to create an object within an object hierarchy.

Figure 7 is a flow chart of processing steps performed by the resource manager to traverse the object hierarchy to produce representations of objects within the graphical user interface.
